SUBJECT: First Consideration of an Ordinance amending Chapter 90, Article X, Section 90-541 relating to stop intersections.	AGENDA ITEM: 11.e. MEETING DATE: August 19, 2008
--	---

VILLAGE BOARD REPORT

TO: Village President and Board of Trustees

FROM: Eric G. Patt, Village Attorney
Telephone No.: 847-729-7300

THROUGH: Todd Hileman, Village Manager

DATE: August 13, 2008

PURPOSE and ACTION REQUESTED:

Approval of the attached Ordinance amending Chapter 90, Article X, Section 90-541 of the Village's Municipal Code (the "Code"), relating to stop intersections in the Village.

BACKGROUND and DISCUSSION:

Chapter 90, Article X, Section 90-541 of the Code sets forth the various stop intersections located in the Village. As it currently exists, that section of the Code has several out-of-date listings and is not in a form that is readily amendable. In order to make the Code accurate, and to allow staff to work more efficiently, our office has worked with the Police Department to update the list of stop intersections, and create a table wherein future changes can be more easily made and tracked.

BUDGET:

No out-of-pocket impact for the Village.

RECOMMENDATION:

Board approval of the attached Ordinance amending the provisions of Chapter 90, Article X, Section 90-541 of the Code, updating and replacing the existing ordinance that set forth the location of stop intersections throughout the Village.

ATTACHMENTS:

1. Ordinance
