

Village of Glenview's Citizens Government Academy

Thank you for your interest in Glenview's Citizens Government Academy! This is a seven-week course on the major functions of local government and a great opportunity to experience first-hand what it takes to run the Village. The program is open to individuals 18 years of age and up. Sessions will be held from 6:30 - 8:30 p.m. Thursdays from May 26 through July 7. Participants will also be invited to attend a Board meeting in July to be recognized by the Village Board upon completing the Academy. Please note that the Board meeting date is tentative and will be announced to participants at a later time.

Participants are encouraged to attend all of the sessions if selected. Seats are limited to 30 applicants, and preference will be made to Glenview residents, local business owners, participants' schedule availability, and those who have not yet participated in the program. The application will close on April 1, 2022. Applicants will be notified via email during the week of April 4th whether or not they have been selected to participate. Applicants who do not get selected will be waitlisted. If you have any questions about the program, please contact the Assistant to the Village Manager, Zhanna Badasyan, at zbadasyan@glenview.il.us or (847) 904-4137.
