***2021 Semi-Annual and Monthly Commuter Parking Permits***

Dear Commuter:

This courtesy notice is for 2021 Commuter Parking Permits. Because of far fewer commuters using the Village of Glenview commuter parking lots during the COVID pandemic, there are temporary changes to the commuter parking fees for 2021 that are customer friendly and offer flexibility.

The Village of Glenview is offering a 50% discount in 2021 on the resident and non-resident annual and semi-annual permits. In addition to this discount, a monthly permit option is also available in 2021. Please see reverse side for pricing and permit options. *Reminder:* Daily parking is still available at both stations by paying \$2.00 per day at the pay box or on the PassPort Parking Application.

The Village issues removable vinyl parking permits for semi-annual permits. Permits must be displayed at all times and they are to be located in the top corner of the rear window of the driver's side of the vehicle. Tape may be used (recommended) to ensure permit is securely displayed. Monthly permits are a hang tag to be hung on your rearview mirror whenever you are parked in a commuter parking lot. If a vinyl or hang tag permit is not displayed, a citation may be issued. Motorcycles and scooters can only park in designated areas and do not need to display the permit (these permits are verified by license plate numbers).

**In order to continue to adhere to social distancing, permits are not available for purchase in-person; they can be purchased online or by mail.** Once payment is received, permits will be mailed to you. **Permits will not be refunded or prorated.**

**APPLICATION AND PAYMENT OPTIONS**

*Please note, as applications and payments must be submitted together, telephone credit card payments are **not** accepted.*

- 1) **Mail:** A completed application and a check or Money Order payable to the "Village of Glenview" to: **Village of Glenview, 2500 East Lake Avenue, Glenview, IL, 60026, ATTN: Commuter Parking.** It can also be placed in a sealed envelope (no postage necessary) in the **municipal** mailbox located at both Village of Glenview train stations, or in the **municipal** mailbox (not USPS mailbox) located in the front Village Hall parking lot.
- 2) **Online:** Visit [www.glenview.il.us](http://www.glenview.il.us) and click on the "Pay Online" option on the top. Click on the "Commuter Parking Permits" link on the right and choose the appropriate station. Payment can be made by MasterCard, Visa, Discover Card, American Express or an electronic check. A convenience fee is charged by the credit card merchant. Please see the Village of Glenview website for details.
- 3) **Employer Commuter Incentive Programs:** Checks must be payable to the "Village of Glenview". No debit cards are accepted. Preloaded credit cards are accepted **online**, as long as they are MasterCard, Visa, Discover Card or American Express, and the preloaded amount **must** be sufficient enough to include the permit fee and the convenience fee amounts.
