

## GLENVIEW-NORTHBROOK CORONAVIRUS TASK FORCE – UPDATE 4

March 27, 2020 – The Glenview/Northbrook COVID-19 Task Force continues to meet regularly to share information and resources and coordinate responses. Our collaborative efforts have resulted in governing bodies donating Personal Protective Equipment (PPE) to Northshore Universal Healthcare. Our community members are also invited to donate (see below). We also encourage citizens to visit [our website for information from our agencies](#), and to check official sources about the spread of COVID-19:

- [State of Illinois' Coronavirus Website](#) (HIGHLY RECOMMENDED)
- [Illinois Department of Public Health](#)
- [Cook County Department of Public Health](#)
- [Centers for Disease Control and Prevention \(CDC\)](#).

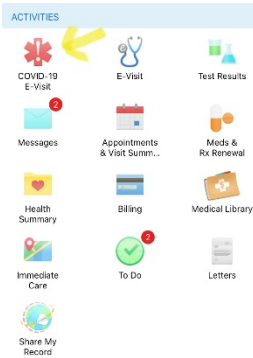

Our facilities remain closed or have limited access. Check the websites of individual agencies to learn how to access services by phone or online.

### **INFORMATION FROM NORTHSHORE UNIVERSITY HEALTHCARE SYSTEM**

Jesse Peterson Hall, president of Glenbrook Hospital, explained that the NorthShore hospitals, including Glenbrook Hospital, are structurally reorganizing to create capacity for an influx of patients. He shared important information for our community:

#### ***Essential Elements of Infection Prevention and Control measures for COVID-19***

- Regular and diligent hand hygiene before and after:
  - Touching your face,
  - Blowing your nose,
  - Coughing or sneezing,
  - Going to the bathroom, and
  - Eating or preparing food.
- Vigilant social distancing:
  - Maintain a distance of 6 feet from each other whenever possible
  - Limit the number of individuals involved in in-person conversations.
- Cough or sneeze into your elbow or sleeve.
- Stay home if you are sick.

***If You're Sick***

If you are showing symptoms of COVID-19, **do not visit your doctor or the hospital until instructed to do so**. You can get help either by calling the community health hotline at 847-432-5849, or scheduling an E-Visit at [northshoreconnect.com](http://northshoreconnect.com) or on the NorthShoreConnect mobile app. After you login, click the COVID-19 E-visit button. Based on your symptoms, you will be told if you need to be tested and will be given instructions on where to go for your test.

***Donations***

NorthShore is accepting financial, critical supply and other donations. [Visit their website for information](#) on how to donate.

**“STAY AT HOME” ORDERS: PARKS, PLAYGROUNDS, IN YOUR NEIGHBORHOOD**

The Governor’s “Stay-at-Home” orders are designed to slow and reduce the spread of COVID-19; social distancing is the most effective solution. As part of the Governor’s orders, all playgrounds in Illinois are closed at this time.

It’s important to get out and get exercise and fresh air -- but you must do so without gathering in groups, large or small. Whenever you are out, wherever you are, maintain six feet between yourself and others. To be successful, we also need our youth to follow these guidelines. Please reinforce the following with your children:

Honor Physical Distancing by:	Don't Violate Physical Distancing by:
<ul style="list-style-type: none"> <li>• Using walking paths</li> <li>• Enjoying walks through your neighborhood</li> <li>• Going for a bike ride</li> </ul>	<ul style="list-style-type: none"> <li>• Playing group games on courts or fields that require contact or close proximity (e.g., basketball)</li> <li>• Congregating in groups in public parks, playgrounds, or sidewalks)</li> <li>• Hosting gatherings or parties in your house</li> </ul>

Do not allow children to play together in homes, backyards or on sidewalks unless they maintain the six-foot recommended distance. As you continue to hear from the experts,

keeping our distance from each other is **the** critical element slowing the spread of this virus. Our community must come together (virtually!) to honor physical distancing.
