Innovation

Describe how a new practice improved sustainability and is a departure from the current practice. Identify the environmental results that were achieved and how they improve sustainability. Explain why these new practices are innovative for this type of organization and its peers. Include information on the previous practices and their deficiencies related to sustainability.

Leadership

Describe how the organization has demonstrated that its practices are above and beyond common practices for the industry and how the organization influenced others. Examples of this are, but not limited to, mentorship of other businesses or organizations similar to the nominees, participation in associations in ways that have made changes or influenced members, as well as going beyond the requirement of environmental regulations. Provide examples of documentation, presentations and outreach that led to the other entity's success in achieving significantly reduced environmental impacts as a result of that coaching. Specify those results in the nomination.

Education and Outreach

What action has the applicant taken to influence its employees and customers to improve their sustainable practices. Examples of this are, but not limited to, community outreach, or other educational events. Describe education and outreach activities that were aimed at your target audience and the total population you reached. Provide information on the anticipated environmental results. Also, discuss the number of people reached.

Please describe the work that the business has done in the past year that should be considered for the selected category. The description should include the organization's experience, rationale for taking action, its successes, and the environmental results or change in practices generated by themselves or those they influenced (750 words or less). Documents supporting the nomination can be attached to the email, which can include media such as photos or videos.
