

2013 winner

On April 16, 2013, the Board presented C & M Auto, 835 Milwaukee Ave., with a Go Green Gold Business Award.

Founded in 1984, C & M Auto responsibly disposes of all waste generated by the operation -- from the office to the garage, including tires, batteries, oil, cardboard and automotive fluids. The firm is also a designated drop-off site for solid waste materials accepted for recycling by the Solid Waste Agency of Northern Cook County.
