The Honorable Anthony Foxx
Secretary of Transportation
United States Department of Transportation
1200 New Jersey Avenue, SE
Washington, DC 20590

Dear Secretary Foxx,

I write to you in support of the application for grant funds submitted by the Village of Glenview, Illinois under the 2016 National Infrastructure Investments (TIGER VIII) program. The project would improve accessibility and reduce congestion within downtown Glenview and at both the downtown Glenview and the North Glen Metra stations.

The transit benefits from this project include improving downtown bus stop locations by redistributing parking, providing improved bus stop access and facilities at both stations, and increasing last mile connectivity for transit passengers through an established bicycle program.

We support this project and urge you to give it full and fair consideration within the TIGER evaluation process. Thank you for your consideration.

Sincerely,

Thomas J. Ross
Executive Director
