Examinations for positions in the classified services shall be so fashioned as to test fairly the capacity and fitness of the person examined to discharge the duties of the position to which the person seeks to be appointed. The Board in its discretion may prescribe additional testing components. The required testing components for the establishment of a particular police eligibility list will be summarized by the Board in the initial testing

announcement. A failure to pass any one examination division will disqualify the applicant from further consideration.

- g. Oral interviews by the Board and the Chief designed to measure personal qualities of the applicant.

An applicant may be rejected by the Board before examination if the applicant fails to evidence the qualifications for the position. Examinations may be held in any order and may be administered to applicants in assembled groups or individually.

3.5A MEDICAL AND PSYCHOLOGICAL EXAMINATIONS

All applicants shall undergo a physical and psychological examination in order to determine whether they can perform the essential functions of a police officer, with or without reasonable accommodation. Such examinations shall be administered after a conditional offer has been made to the candidate.

All members shall be required to have a physical examination every fourth year of their employment.

3.6A RATING OF COMPETITIVE EXAMINATIONS

After consultation with the Chief, the Board shall establish minimum standards for each division of the examination and also provide that any applicant who fails to meet each minimum standard shall fail the examination and not be permitted to take any further divisions in the examination process. Each division of the examination shall be given such weight as the Chief and the Board determine and each applicant's standing in all divisions of the examination shall be averaged. The final standing of applicants shall be expressed on the scale of 100.

3.7A FRAUD IN EXAMINATION

The Board may strike a person's name from any eligible list and the person shall be excluded from an examination or discharged or removed from any position to which that person may have been appointed under these Rules, where that person submitted any document that contained false information; or permitted anyone else to impersonate that person at any examination; or, during or in preparation for an examination, that person, alone or in concert with another, used or aided someone else in using prohibited material by which an unfair advantage could be or was obtained over competitors at such examination. If requested, the Board shall provide an opportunity for the person to be heard in defense.

3.8A NOTICE OF RESULTS

Each applicant will be notified within 14 calendar days of the completion of each division of that applicant's result. If the applicant has failed the division, the notice shall read to that effect. If the applicant has fulfilled all examination requirements, the applicant shall receive notice that the applicant's name has been placed on the eligibility list.

It shall fix such minimum qualifications for firefighter applicants as may be appropriate for proper and competent performance of the duties and responsibilities involved. No person shall be admitted to the examination who does not meet the minimum qualifications so fixed, but the fact that a person is admitted to any examination shall not be considered as evidence that the person is qualified or is eligible for said position. The following minimum qualifications shall be part of the requirements for admission to all firefighter examinations given by the Board. The burden of establishing proof of these qualifications shall rest upon each applicant. Applicants are subject to additional grounds for disqualification as provided by law.

- a. Every firefighter applicant must have reached the age of 21, and must be under the age of 35. However, the foregoing age-35 limitation shall not apply in the case of any firefighter applicant having previous employment as a full-time firefighter in a regularly constituted fire department of a municipality or fire protection district, or as otherwise permitted by law. Also, the foregoing age-35 limitation shall not apply to any person who turned 35 while serving as a member of the active or reserve components of any of the branches of the Armed Forces of the United States or the National Guard of any state, and whose service was characterized as honorable or under honorable conditions, if separated from the military and is currently under the age of 40.

- d. Every firefighter applicant must be a resident of, and legally authorized to work in, the United States.

3.3B APPLICATIONS

Applications for examination shall be filed upon forms designated by the Chief. All applicants must comply with requirements in all application forms. A false statement made by any person in an application for examination shall be regarded as cause for exclusion from the examination.

3.4B EXAMINATION FOR CHARACTER AND FITNESS

Examinations for positions in the classified services shall be so fashioned as to test fairly the capacity and fitness of the person examined to discharge the duties of the position to which the person seeks to be appointed. The examinations shall consist of the following divisions in this sequence:

- a. Applicants must show proof of their successful completion of the "Candidate Physical Ability Test" (CPAT) by the time the written examination is taken.
- b. A written examination shall be conducted that shall be practical and relate to those matters that fairly test the capacity of the persons examined to discharge the duties performed by members of the Glenview Fire Department. Written examinations shall be administered in a manner that ensures the security and accuracy of the scores achieved. The written examination shall be based on a 100-point scale. The passing score for the written examination shall be set by the Board so as to demonstrate a candidate's ability to perform the essential functions of a firefighter. The minimum score set by the Board shall be supported by appropriate validation evidence and shall comply with all applicable state and federal laws.
- c. When the written examination is taken, each candidate shall also take a written situational judgment test, which is designed to evaluate how the candidate would respond to various situations and measure conflict resolution skills, service orientation, initiative, integrity, team orientation and other traits. The test shall be considered a subjective evaluation component of the firefighter testing process.
- d. After the establishment of a final eligibility list, candidates are subject to a background investigation, which includes, among other things, a review of the

applicant's moral character, criminal background history and employment history. As part of this background investigation, candidates may be subject to oral interviews before the Board. Background investigations will be graded on a pass-fail basis.

- e. After the establishment of a final eligibility list, candidates are subject to a polygraph examination.

3.5B MEDICAL AND PSYCHOLOGICAL EXAMINATIONS

All applicants shall undergo a physical and psychological examination in order to determine whether they can perform the essential functions of a firefighter, with or without reasonable accommodation. Such examinations shall be administered after a conditional offer has been made to the candidate.

All members shall be required to have an annual physical examination.

3.6B RATING OF COMPETITIVE EXAMINATIONS

The passing score for the written examination shall be set by the Board for the purpose of demonstrating a candidate's ability to perform the essential functions of the job. There is no passing score for the written situational judgment test, although the score from the written situational judgment test will affect a candidate's ranking on the initial firefighter eligibility list, as described in Rule 6.1B(b). The relative weights of the various testing components are described in Rule 6.1B(b).

3.7B FRAUD IN EXAMINATION

The Board may strike a person's name from any eligible list and the person shall be excluded from an examination or discharged or removed from any position to which that person may have been appointed under these Rules, where that person submitted any document that contained false information; or permitted anyone else to impersonate that person at any examination; or, during or in preparation for an examination, that person, alone or in concert with another, used or aided someone else in using prohibited material by which an unfair advantage could be or was obtained over competitors at such examination. If requested, the Board shall provide an opportunity for the person to be heard in defense.

3.8B NOTICE OF RESULTS

Each applicant will be notified within 14 calendar days of the completion of each division of that applicant's result. If the applicant has failed the division, that applicant's notice shall

read to that effect. If the applicant has fulfilled all examination requirements, the applicant shall receive notice that the applicant's name has been placed on the eligibility list.

SUBSECTION C – EXAMINATIONS, REQUIREMENTS AND QUALIFICATIONS OF PRE-CERTIFIED POLICE OFFICER APPLICANTS

3.1C EXAMINATION OF APPLICANTS

The Board may use the following alternative hiring procedure when it identifies a need for certified police experience among the candidates. The Board will announce its intentions to use the procedures under this Subsection C prior to the start of the pre-certified entry hiring process. The Board may use this procedure either before or during the pendency of an existing eligible list, and may in its discretion offer an appointment to a candidate from an eligible list or a pre-certified candidate selected pursuant to this procedure.

3.2C MINIMUM QUALIFICATIONS

All applicants must meet the minimum qualifications described in Rule 3.2A. Additionally, Pre-Certified candidates must meet the following minimum requirements:

- Must have a valid certification as a full-time police officer from the Illinois Law Enforcement Training and Standards Board. Out of state certifications shall not be accepted.
- Must be currently employed as a Full-Time Certified Police Officer. Prior law enforcement experience must include job duties and responsibilities the Board deems similar to those of a Glenview Police Officer.
- Must provide official documentation of passing their Field Training Program with their most recent law enforcement employer. If a law enforcement employer does not have a formal Field Training Program, an official and verifiable letter from the highest ranking member of the department (most commonly the Chief), stating the applicant has met the department's training requirements may be accepted as alternative documentation. Additionally, this requirement may be waived by the Board in circumstances where the verified years of service with a law enforcement employer support the completion of the Field Training Program.

3.3C APPLICATIONS

All applicants applying pursuant to this Subsection C shall file an application pursuant to Rule 3.3A (along with any other materials requested by the Board) within the deadline set by the Board.

3.4C EXAMINATION FOR CHARACTER AND FITNESS

Examinations for positions in the classified service shall be so fashioned as to test fairly the capacity and fitness of persons examined to discharge the duties of the position to which they seek to be appointed. The Board may in its discretion prescribe additional testing components and/or divisions prior to the start of the pre-certified entry process

described in this Subsection C. A failure to pass any one examination division will disqualify the applicant from further consideration. Applicants may be rejected by the Board before examination if their application shows failure to meet the qualifications for the position. Examinations may be held in any order and may be administered to applicants in assembled groups or individually. Nothing shall prevent the Board from requesting further investigation of any applicant.

The examinations shall consist of any or all of the following divisions as the Board shall prescribe after consulting with the Police Chief.

- a. Tests of practical abilities measuring the applicant's ability to perform the tasks associated with Department service.
- b. Independent investigation of the applicant's moral character, personality, temperament, and other factors which may bear upon the applicant's fitness for the position.
- c. Independent investigation of work experience and merit in past performance of similar work.
- d. Candidates are subject to a polygraph examination
- e. Oral interviews by members of the Board and the Chief designed to measure personal qualities of the applicant.

3.5C MEDICAL AND PSYCHOLOGICAL EXAMINATIONS

All applicants shall undergo a physical and psychological examination in order to determine whether they can perform the essential functions of a police officer, with or without reasonable accommodation. Such examinations, shall be administered after a conditional offer has been made to the candidate.

All members shall be required to have a physical examination every fourth year of their employment.

3.6C METHOD OF SELECTION

The Board retains the discretion to select from among multiple applicants who have passed all examination divisions.

3.7C FRAUD IN EXAMINATION

The Board may exclude a person from an examination or discharge or remove from any position to which that person may have been appointed under these Rules, where that person submitted any document that contained false information; or permitted anyone else to impersonate that person at any examination; or, during or in preparation for an examination, that person, alone or in concert with another, used or aided someone else in using prohibited material by which an unfair advantage could be or was obtained over competitors at such examination. If requested, the Board shall provide an opportunity for the person to be heard in defense.

3.8C NOTICE OF RESULTS

Each applicant will be notified within 14 calendar days of the completion of each division of that applicant's result. If the applicant has failed the division, that applicant's notice shall read to that effect. If the applicant has fulfilled all examination requirements, the applicant shall receive notice that the applicant's name has been placed on the eligibility list.

RULE 4: APPOINTMENT OF POLICE OFFICERS OR FIREFIGHTERS

4.1 ORDER OF APPOINTMENT

Appointments of police officers or firefighters shall be made from the candidates on the eligible list for police officers or firefighters with the highest standing on said list. That candidate shall be tendered the appointment, provided that at the time of such tender the eligible candidate meets the minimum requirements prescribed in Rule 3.2A or 3.2B. Notwithstanding the foregoing, if the Board believes that the highest ranking firefighter or police officer candidate on the eligible list fails to meet the minimum standards for the position, or an alternate candidate would better serve the needs of the Department, the Board may pass over the highest ranked candidate and appoint either: (a) any person who has a ranking in the top 5% of the eligible list; or (b) any person who is among the top 5 highest ranked persons on the eligible list if the number of persons who have a ranking in the top 5% of the eligible list is less than 5.

4.2 DISCHARGE DURING PROBATIONARY PERIOD

If any appointee during the appointee's probationary period (except for an extended probationary period for a firefighter) shall be found incompetent or not qualified for the performance of the duties of police officer or firefighter, the Chief of the Department may summarily discharge said probationer after informing the Board. A firefighter whose probationary period has been extended may be summarily discharged without recourse solely for failing to meet the requirements for paramedic licensure.

4.3 TEMPORARY APPOINTMENT

In order to prevent a stoppage of public business, to meet extraordinary exigencies, or to prevent material impairment in the functioning of the Department, the Board may make temporary appointments, not to exceed 60 days. However, no temporary appointment of any one person shall be made more than twice in any calendar year.

4.4 PARAMEDIC LICENSE

Firefighter/Paramedic applicants will be required to obtain IDPH EMT-P License with entry into the Village's assigned EMS System as a condition of continued employment.

RULE 5: PROMOTION EXAMINATION AND QUALIFICATIONS

5.1 QUALIFICATIONS

Promotion in the Police Department or Fire Department shall be made on the basis of ascertained merit, seniority in service, and examination. Only when authorized by the Village Manager to fill a Police Department vacancy in a rank above Patrol Officer, and over which the Board has appointing authority, the Board shall fill that vacancy. All examinations for promotion to non-exempt positions shall be competitive among such members of the next lower rank who desire to submit themselves to examination.

Notwithstanding the foregoing and any contrary provision found in this Rule 5, promotions to the rank of fire lieutenant and fire captain will be administered in accordance with any procedure that has been negotiated by the Village and the exclusive bargaining representative of the Village's firefighters and as provided in the Fire Department Promotion Act (50 ILCS 742/1 *et seq.*).

5.2 ELIGIBILITY

Except in extraordinary cases, no member of the Police Department shall be eligible to take any examination for promotion in the classified service unless the member has served at least one year of active duty in the rank from which promotion is sought immediately prior to taking the promotional examination. Probation periods shall not be credited as time service required for promotional examination.

5.3 METHOD OF PROMOTION

Promotions in the Departments shall be made on the basis of merit, seniority and examination. All promotional examinations shall be competitive among the qualified members of the next lower rank who desire to submit to the examination. In exceptional situations, the Board may utilize other methods of promotion. The Board may authorize promotions without competition if only one member is eligible or desires to be promoted. Authorization for such promotion shall be based solely on the recommendation of the Department Chief. If no member receives the Department Chief's recommendation, the Board shall authorize an open, competitive, promotional examination. In all cases, promotions shall involve a definite change in duties, an increase in responsibilities, and shall not be made merely for the purpose of affecting an increase in compensation or granting a higher title of honor. The minimum passing scores shall be included in the promotional announcement and shall not be less than 70 for each scored examination. A

failure to pass any one examination division will disqualify the candidate from further consideration. Promotional examinations shall be graded on the scale of 90.

5.4 SENIORITY

In the Police Department, credit for seniority shall be given for actual service in the rank or position from which promotion is sought, and shall be computed as of the date of examination. To the scores so obtained shall be added a seniority credit of .5 point for each full year of service, computed from the date of the written examination up to a maximum of 10 points.

5.5 FRAUD IN EXAMINATION

The Board may strike a person's name from any eligible list and the person shall be excluded from an examination or discharged or removed from any position to which that person may have been appointed under these Rules, where that person submitted any document that contained false information; or permitted anyone else to impersonate that person at any examination; or, during or in preparation for an examination, that person, alone or in concert with another, used or aided someone else in using prohibited material by which an unfair advantage could be or was obtained over competitors at such examination. If requested, the Board shall provide an opportunity for the person to be heard in defense.

5.6 NOTICE OF RESULTS

Each applicant will be notified within 14 calendar days of the completion of each division of that applicant's result. If the applicant has failed the division, that applicant's notice shall read to that effect. If the applicant has fulfilled all examination requirements, the applicant shall receive notice that the applicant's name has been placed on the promotional list.

5.7 PROMOTIONAL APPOINTMENTS

All promotional appointments shall be made from the promotional list pertaining to the rank or position to which the appointment is to be made. Such appointment shall be made from the first three names appearing on the promotional list. In selecting the appointee, the Board shall consult the Department Chief in order to determine which eligible will best fill the requirements of the position and serve the best interests of the Department and community. When there are less than three names on the promotional list, as originally posted, or remaining after appointments have been made therefrom, appointments to fill existing vacancies shall be made from those names or name remaining on the promotional list. Any person promoted under these procedures shall serve a probation period of one year (unless otherwise provided for by an applicable collective bargaining agreement). The Final Promotional List shall reflect the preliminary scores with the application of military

preference points and shall be valid for three (3) years. The Board Chairperson shall certify each Final Promotional List.

5.8 REFUSAL OR FAILURE TO ACCEPT PROMOTION

A person eligible for promotion may, when designated for promotion, decline such appointment upon stating their reasoning. In such event the eligible shall retain prior position on the promotion list. No second waiver by any eligible shall be accepted without having their name stricken from the Final Promotional List.

RULE 6: ELIGIBLE LISTS

SUBSECTION A – POLICE ELIGIBLE LISTS

6.1A POLICE ELIGIBLE LISTS

Except for when the Board utilizes the pre-certified entry hiring procedures for police candidates provided for in Subsection C of Rule 3, the Board shall establish eligible lists for each non-exempt rank or position within the Police Department. The Board will prepare an “Initial Eligibility List” of the applicants who successfully complete the components as specified in the job posting and shall place candidates on the “Initial Eligibility List” in order of their relative excellence.

The Board will prepare, post, and maintain a Final Eligibility List of applicants for appointment for Police Officer. The names of applicants from the Initial Eligibility List shall be placed upon the Final Eligibility List in rank order, highest first, duly adjusted with preference points awarded and added to the Initial Eligibility List score for each applicant.

In the event of a tie score, the placement of the applicants’ names on the Final Eligibility List shall be determined by lot. Veterans receive higher ranking when like scores exist.

The Final Eligibility List shall remain in force for one (1) year for Police Officer from the date of posting. No applicant shall be appointed from an expired Final Eligibility List. Testing cycles shall be coordinated in order to anticipate the expiration of Final Eligibility List. There shall be no integration of Final Eligibility Lists.

No eligible lists will be generated or otherwise maintained for pre-certified candidates when the Board utilizes the pre-certified entry hiring procedures found in Subsection C of Rule 3.

6.2A ORDER OF STANDING

Except for when the Board utilizes the pre-certified entry hiring procedures for pre-certified police candidates found in Subsection C of Rule 3, persons eligible for appointment shall be placed on the police eligible lists in the order of their relative excellence as determined by these Rules and by examination.

If a candidate has been placed on the final original appointment police eligible list and becomes over age before the candidate is appointed to the Police Department, the candidate remains eligible for appointment until the list expires, or until the candidate has remained on the list for two years.

6.3A PREFERENCE POINTS

In determining the standing of eligibles on the final original appointment eligible and promotional police lists, the Board shall take into consideration the veterans' preferences provided by statute (65 ILCS 5/10-2.1-8).

6.4A STRIKING NAMES FROM ELIGIBLE LISTS

The Board shall strike off the names of candidates seeking original appointment after such names have been on a Final Eligible List after one year from the posting date of the Final Eligible List (see Section 6.1A(c) above).

6.5A REMOVAL FROM LIST FOR CAUSE

Regardless of the length of time a name has remained on an eligible list, the Board may remove an eligible from the list in the event that the eligible cannot perform the essential functions of the job, with or without reasonable accommodation, or has been convicted of a felony, or has been guilty of fraud in obtaining standing on the eligible list, or for such cause as found by the Board to warrant removal for the good of the Department. If requested within 10 days of the date that notice of removal was mailed to the candidate via certified mail, the Board shall afford such eligible an opportunity to be heard and to demonstrate that such alleged cause for removal does not in fact exist

6.6A REFUSAL OR FAILURE TO ACCEPT APPOINTMENT

Police eligibles may pass on an original appointment once without losing their position on the final eligible list. A police eligible who refuses or fails to accept a second original appointment within ten days after the same is tendered by written notice mailed to that eligible's listed address, shall be removed from the eligible list. If within 30 days from the date of said notice the eligible so removed furnishes the Board with good and sufficient reason for having refused or failed to report acceptance of appointment, the Board may, in its discretion, restore the eligible to the eligible's former standing on the police eligible list, subject to any appointments made in the interim.

SUBSECTION B – FIREFIGHTER ELIGIBLE LISTS

6.1B FIREFIGHTER ELIGIBLE LISTS

The Board shall establish an eligibility list for each non-exempt rank or position within the Fire Department. The lists shall include those persons whose general average examination standing is not less than the minimum fixed by the law and the Rules of the Board, who have successfully passed all the examinations required by the Rules and who are otherwise qualified.

- a. Firefighter Preliminary Eligibility List: After the completion of the written examination, the Board shall develop a Preliminary Eligibility List, consisting of the names of those candidates who passed the written examination and who showed proof of the successful completion of the Candidate Physical Ability Test (CPAT), in order from highest-to-lowest.
- b. Firefighter Initial Eligibility List: The Board shall publish an Initial Eligibility List no more than 60 days after the completion of the written and situational judgment tests. The Initial Eligibility List shall consist of the names of those candidates from the Preliminary Eligibility List, ranked in order from highest-to-lowest based on their combined scores on the written examination and situational judgment tests, in the following proportions:
 - i. Written Examination 60%
 - ii. Situational Judgment Test 40%

Scores on each component shall be “standardized.” For each candidate, the standardized score for each component will be multiplied by the component’s relative percentage weighting. The resulting scores for the components will be added to determine the candidate’s final score on a 100-point scale.

- c. Firefighter Final Eligibility List: After the establishment of the Initial Eligibility List, the Board will allow candidates to claim preference points as described in Rule 6.3B below. Once all preference points have been awarded, the Board will compile and publish a Final Eligibility List.

6.2B ORDER OF STANDING

Persons eligible for appointment shall be placed on the Final Eligibility List in the order of their relative excellence as determined by these Rules and by examination.

6.3B PREFERENCE POINTS

Any candidate who wishes to claim preference points, as delineated below, must submit proof of preference eligibility in writing to the Board within 10 days of the posting of the Initial Eligibility List. If submission is made after 10 days, the claim shall be deemed waived. For firefighter eligibles, up to fifteen (15) preference points are available, as described below:

- a. **Veterans Preference:** A candidate who was engaged in the military service of the United States for a period of at least one year of active duty and who was honorably discharged therefrom, or who is or has been a member on inactive or reserve duty in such military or naval service may receive five (5) preference points.
- b. **Educational Preference:** A candidate who has successfully obtained an associate's degree in the field of fire service or emergency medical services may receive two preference points, and a candidate who has successfully obtained a bachelor's degree from an accredited college or university may receive four (4) preference points. However, a candidate cannot receive preference points for both an associate's degree and a bachelor's degree.
- c. **Paramedic Preference:** A candidate, who has obtained certification as an Emergency Medical Technician-Paramedic (EMT-P), may receive four (4) preference points.

Experience Preference: A candidate employed by a municipality who has been a paid-on-call or part-time certified Firefighter II or Basic Operation Firefighter, may receive 0.5 points for each year of successful service, up to a maximum of two preference points. A candidate employed by a municipality who has been a Certified Firefighter III or Advanced Technician Firefighter may receive one preference point for each full year served in that capacity, up to a maximum of two points. Candidates cannot receive experience preference points for both Firefighter II or Basic Operation Firefighter and Firefighter III or Advanced Technician Firefighter certifications. Regardless of how preference points are obtained, they cannot exceed two points. A candidate cannot receive the full amount of experience preference points under this subsection if the amount of points awarded would place the candidate before a veteran on the final eligibility list. If more than one candidate receiving experience preference points is prevented from receiving all of their preference points due to not being allowed to pass a veteran, those candidates shall be placed on the list below the veteran in rank order based on the totals

received if all preference points under this subsection were to be awarded. Any remaining ties on the list shall be determined by lot.

6.4B STRIKING NAMES FROM ELIGIBLE LISTS

The Board shall strike from the eligible list the names of candidates seeking original appointment after such names have been on the original eligible list for two years. Likewise, the Board shall strike from the promotional list names of candidates for promotional appointment after they have remained on the promotional list for three years, providing there is no vacancy existing that can be filled from the promotional list. A firefighter candidate on a final eligibility list who exceeds the 35-year age requirement before being appointed shall remain eligible for appointment until the eligibility list expires, or that candidate's name has been on the list for a period of two years.

6.5B REMOVAL FROM LIST FOR CAUSE

Regardless of the length of time an eligible has remained on an eligible list, the Board may remove from the list an eligible who cannot perform the essential functions of the job, with or without reasonable accommodation, or has been convicted of a felony, or has been guilty of fraud in obtaining standing on the eligibility list, or for such cause as is found by the Board to warrant removal for the good of the Department. If requested within 10 days of the date that notice of removal was mailed to the candidate via certified mail, the Board shall afford such eligible an opportunity to be heard and to demonstrate that such alleged cause for removal does not in fact exist.

6.6B REFUSAL OR FAILURE TO ACCEPT APPOINTMENT

Firefighter eligibles may pass on an original appointment once without losing their position on the final eligible list. A firefighter eligible who refuses or fails to accept a second original appointment within 10 days after the same is tendered by written notice mailed to that eligible's listed address, shall be removed from the eligible list. If within 30 days from the date of said notice the eligible so removed furnishes the Board with good and sufficient reason for having refused or failed to report acceptance of appointment, the Board may, in its discretion, restore the eligible to the eligible's former standing on the firefighter eligible list, subject to any appointments made in the interim.

If, after a hearing, the Board determines that a member is guilty of the charges which were the subject of the hearing, the Board may add an additional unpaid suspension of up to 180 days, or may terminate said member. If the Board determines that the charges are not sustained, the member shall be reimbursed for all wages withheld.

With regard to police personnel, specific rules and regulations that may lead to removal or other sanctions are provided by Rule 8 herein. With regard to fire personnel, specific rules and regulations that may lead to removal or other sanctions are provided by Rule 9 herein.
