Install sidewalk, curb and driveway repairs	6 to 7 weeks	Mid to Late May
Pavement Restoration	1 to 2 days	Late May
Landscape restoration	1 to 2 weeks	Early to Mid June
Anticipated completion date	Mid June	

Resident's FAQ's

If my driveway is damaged, will it be fixed or replaced?

- Sections of private driveways located in the public right-of-way will be replaced if damaged during construction with the exception of edging materials and brick paver driveways. Reimbursement are available for reinstallation of brick pavers with the driveway apron located in the public right-of-way.

Will my driveway be closed during construction?

- Private drives will be accessible the majority of the time during construction. If your driveway needs to be closed, notice will be provided to allow adequate time to make arrangements.

Will the parkway be restored after construction is completed?

- Parkway areas disturbed by construction will be restored with sod during the last stage of construction. Please note that residents are responsible for the removal of private items located within the public parkway such as landscaping features, fencing, boulders, sprinklers, planters, etc. These items will not be replaced if damaged.

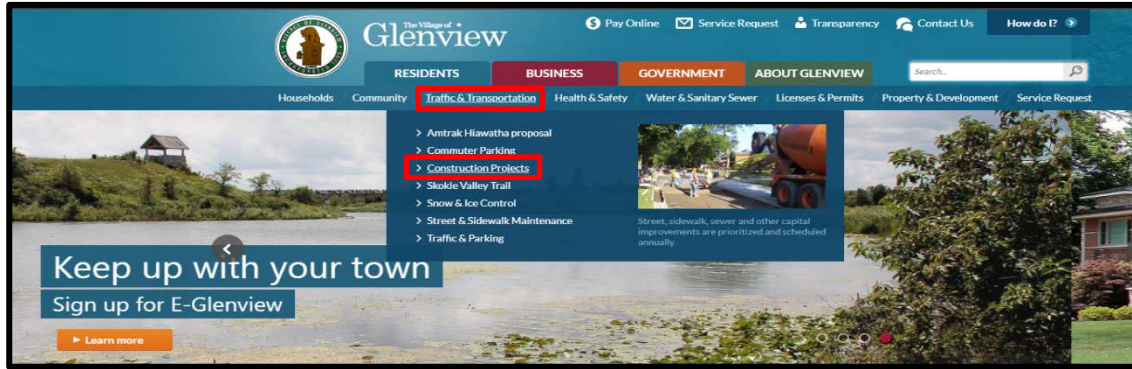

Will garbage pick up or bus pickup & drop off be impacted?

- The garbage service in your neighborhood will not be impacted during construction.
- Before bus routes are impacted, the school, bus company, and residents will be notified in advance of any alternate bus pick up and drop off.

Project Updates

1. Navigate to <https://www.glenview.il.us/Pages/Default.aspx>

2. Select Traffic & Transportation > Construction Projects

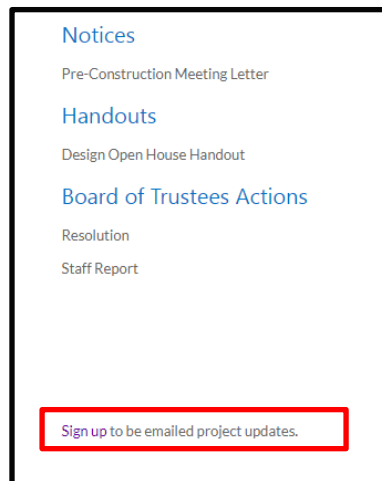

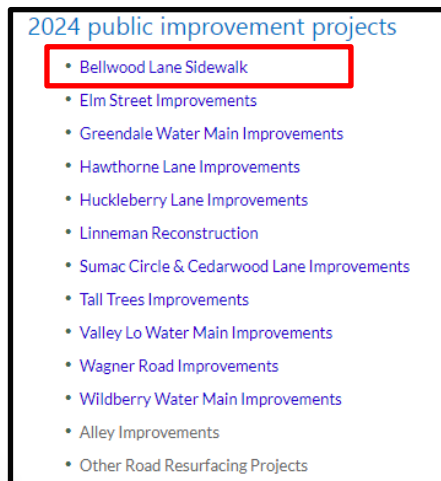

3. Scroll down to 2024 Public Improvements Project List and select Hawthorne Lane Improvements
