

Chestnut Avenue Roadway Improvements

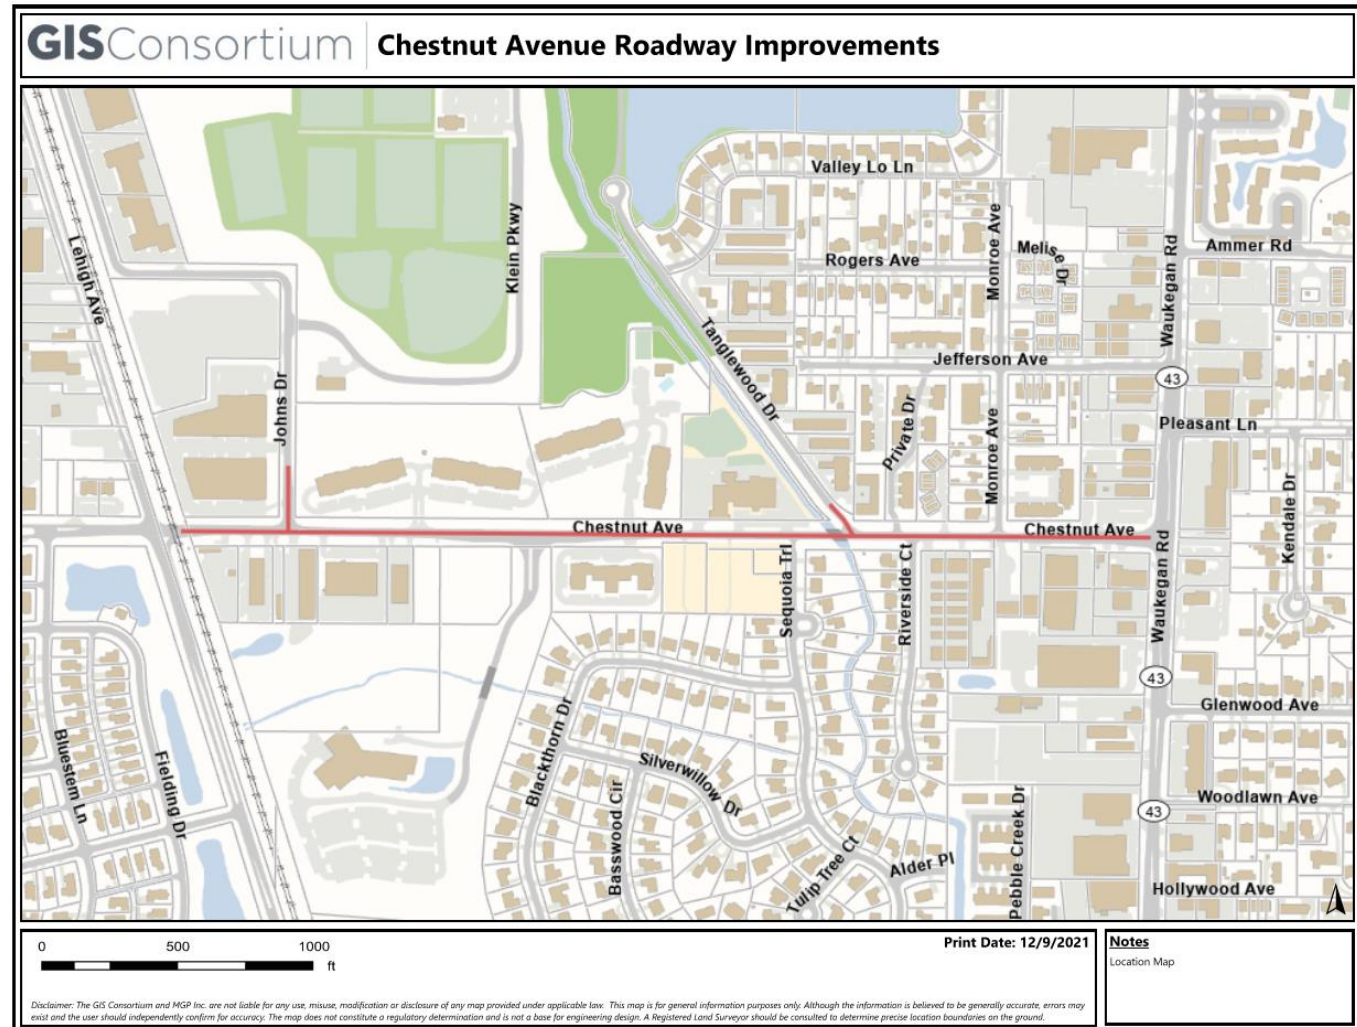

Welcome!

Design Open House
December 13, 2021
6:30 PM

Project Location and Limits

- Chestnut Avenue: From Lehigh Avenue to Waukegan Road
- All work to be completed within the public right-of-way
- Construction Year: 2022
- Project funded 70-80% by grant funding

Scope of Work and Benefit to Residents

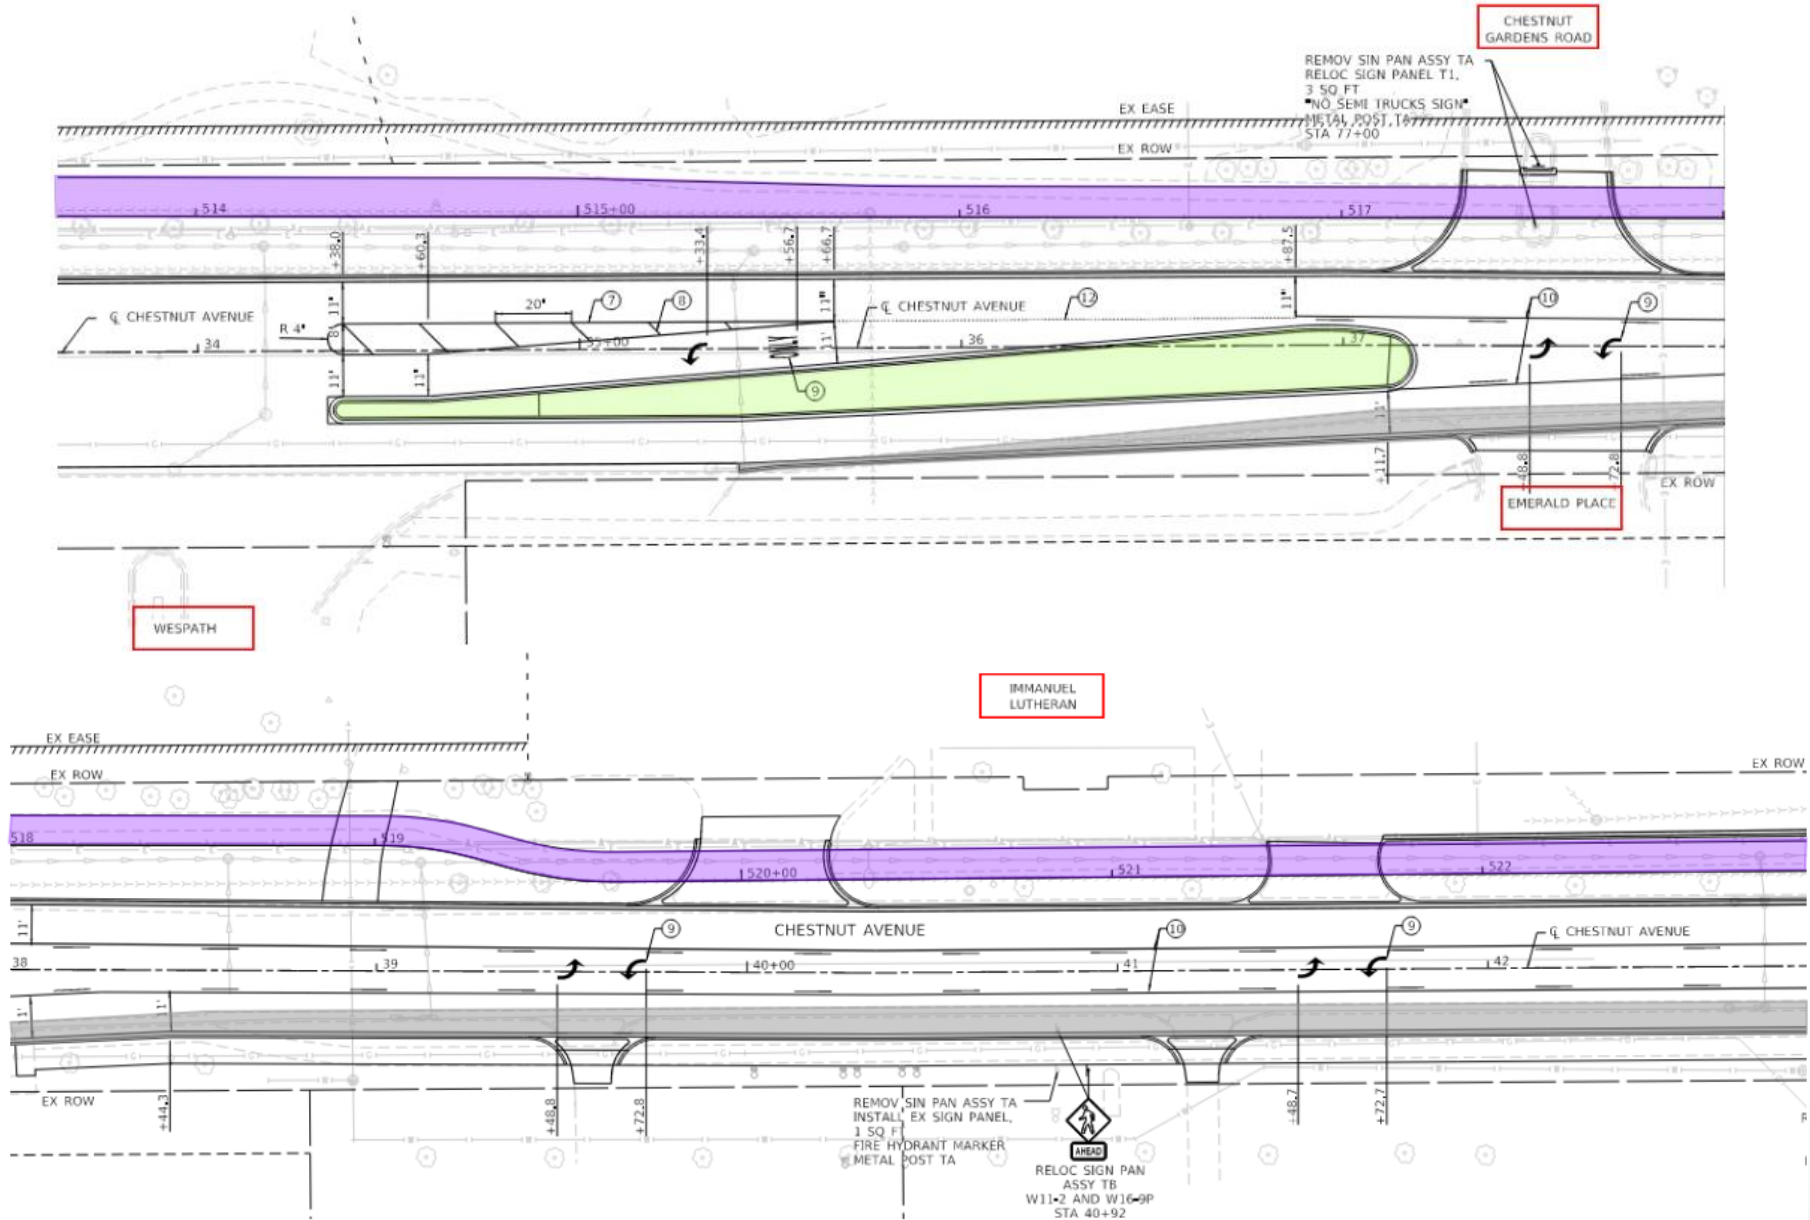

- **Roadway widening** – increase from two lanes to two lanes with a middle turn lane and green median to improve traffic flow
- New **multi-use path** (north side) to improve pedestrian safety
- Increased **storm storage capacity**
- Installation of new **street lighting**
- Replace **concrete curb and gutter** and **resurface asphalt pavement**
- **Driveway apron** replacement (in-kind)
- **Parkway restoration** with sod and tree removal/planting

Proposed Plans

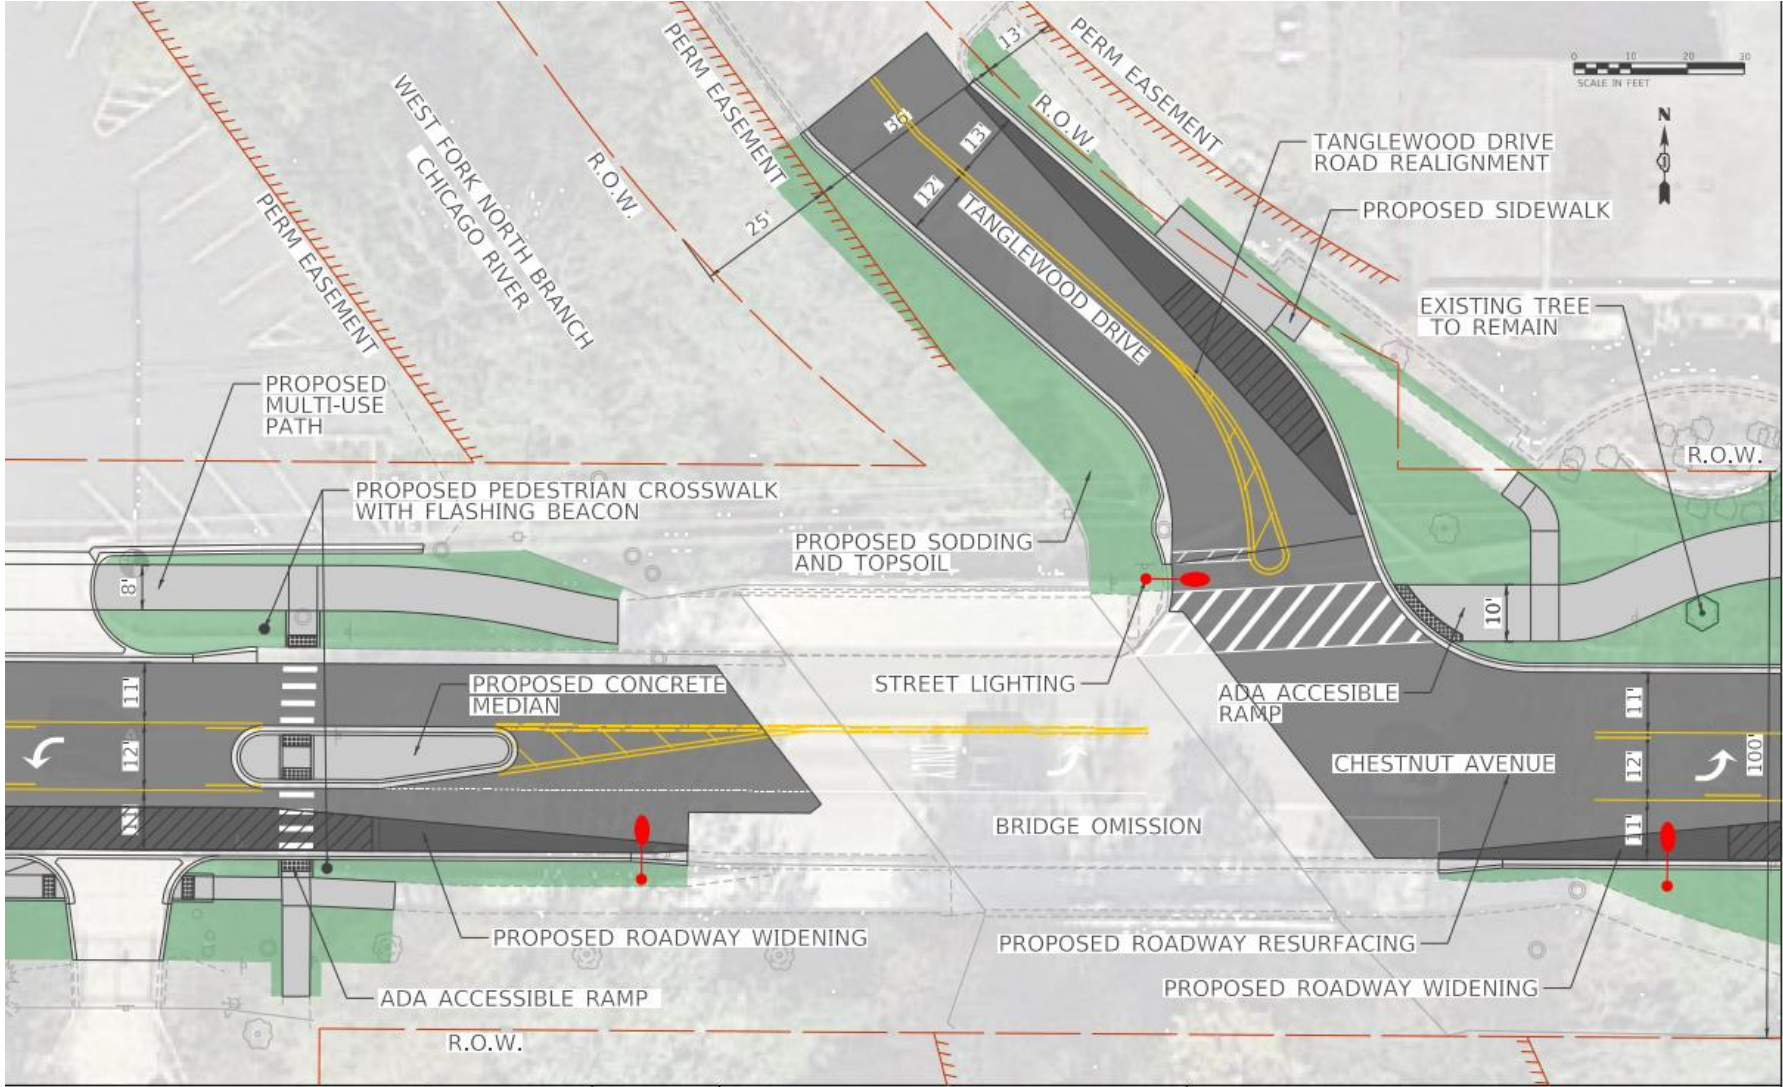

New Multi-Use Path
(replaces existing sidewalk)

Landscaped Median

Area of Pavement Widening

Proposed Tanglewood Drive Road Realignment

 FAU ROUTE 1352 (CHESTNUT AVENUE)
 INTERSECTION IMPROVEMENT, WIDENING, AND RESURFACING

Construction Staging

North Side

South Side

STAGE 1 – South Side

Construction activity to take place on the south side of Chestnut Avenue. Traffic shifted to the north side of Chestnut Avenue.

STAGE 2 – Middle Section

Shift eastbound traffic to newly installed pavement on the south side of Chestnut Avenue. Construction activity to take place in the middle of Chestnut Avenue.

STAGE 3 – North Side

Shift traffic to south side of Chestnut Avenue. Construction activity to take place on the north side of Chestnut Avenue.

Tentative Schedule and Next Steps

Dates	Steps
December 13, 2021	Open House Meeting: <i>Residents view plans and provide feedback</i>
Winter 2021/2022	Finalize Design Plans and Bidding Process
Spring/Summer 2022	Contract Award
Summer 2022	Pre-construction Resident Meeting
Summer 2022	Anticipated Start of Project
Fall/Winter 2022	Anticipated Completion Date

Resident FAQ's

If my driveway is damaged, will it be fixed or replaced?

- Sections of private driveways in public right-of-way will be replaced if damaged during construction with the exception of edging materials and brick paver driveways. Reimbursement available for reinstallation of brick pavers equal to the cost of driveway replacement.

Will my driveway be closed during construction?

- Private drives will be accessible the majority of the time during construction. If your driveway needs to be closed, notice will be provided to allow adequate time to make arrangements.

Will the parkway be restored after construction is completed?

- Parkway areas disturbed by construction will be restored with sod during the last stage of construction. Please note that residents are responsible for the removal of private items located within parkway such as landscaping features, fencing, boulders, sprinklers, planters, etc. These items will not be replaced if damaged.
