

GLENVIEW POLICE DEPARTMENT

Effective immediately, in an effort to help protect our citizens and employees from the spread of the coronavirus (COVID-19), the Glenview Police Department will be implementing additional precautions and procedures.

The protocol below will go into effect immediately and continue until further notice.

HIGH PRIORITY – EMERGENCY CALLS

The Glenview Police Department will only be responding to high priority/emergency calls for service, including, but not limited to;

- Any violent crimes or crimes against persons
- Domestic or battery-related calls
- Motor vehicle crashes involving injuries or lane blockage
- Burglaries or burglar alarms
- Any calls where evidence needs to be collected or a crime scene needs to be processed
- Or where a shift supervisor deems it necessary for a police officer to respond.

LOW PRIORITY CALLS FOR SERVICE

Low priority calls for service such as information for police reports, delayed reports, non-emergency calls, property crimes or ordinance violations will only be handled via phone. When you call the Police Department you will be advised that an officer will call you back and generate a report over the phone.

IF YOU HAVE COME TO THE POLICE DEPARTMENT TO MAKE A REPORT, PLEASE DO NOT ENTER THE BUILDING IF...

- Your request for service falls into the low priority classification
- You are experiencing a fever, flu-like symptoms, sore throat or shortness of breath, unless you need immediate medical assistance
- You have traveled outside the United States within the last 14 days

Please return home and call the non-emergency number (847) 729-5000 to make your police report; an officer will be in touch as soon as possible.
