RE: Proposed Tall Trees Subdivision Storm Water Improvements

Dear Tall Trees Resident:

The Village of Glenview is inviting you to attend a virtual neighborhood meeting at 7 p.m. Wednesday, April 21, 2021 via Zoom to review proposed short- and mid-term stormwater improvements planned for your subdivision.

Zoom Meeting:

<https://zoom.us/j/98678448741?pwd=OGFUemtVMTU1VFNWK2QzdTJodmFHZz09>

Meeting ID: 986 7844 8741

Passcode: 500697

Call in Number: 312-626-6799

At the meeting Village staff and representatives from the U.S. Army Corps of Engineers (ACE) will review the following topics and provide an overview of the proposed neighborhood improvements:

- Introductions
- Tall Trees subdivision background
- Tall Trees drainage characteristics
- Pearson site drainage opportunities
- Previous stormwater studies
- Presentation by ACE (Section 205) of its Flood Protection Feasibility Study and results
- Summary of proposed projects:
 - Phase I - FY2022-2023 – Storm sewer storage on south streets, pump station and other infrastructure improvements
 - Phase II - FY2023-2024 – Storm sewer storage, culvert replacement and other infrastructure improvements on the remaining streets
 - Phase III – FY 2026-2027 – Berming and off-site compensatory storage
 - Potential funding for proposed Phases (ACE – Section 219, MWRD, Village of Glenview)
- Questions

Some of the materials and detailed studies that will be reviewed during the virtual neighborhood meeting are available on the Village's website at this link:

<https://www.glenview.il.us/Pages/TallTrees.aspx>

Additionally, the Tall Trees Homeowner's Association will be sending an email with this letter attached, so residents can click on the supplied links.

If you have questions about the virtual neighborhood meeting or are unable to attend the meeting, feel free to contact me at (847) 904-4414 or awebb@glenview.il.us.

Sincerely,

Adriana Webb
Engineering Division Manager
